10. COVID-19 Protocols (Please read carefully!)

To prevent the spread of COVID-19 at this event we are asking full agreement of the following stipulations from all participants:

1. Participants remain masked at all times except during lunch.
2. Participants are fully vaccinated and present their vaccine card at the beginning of the seminar.
3. Participants test negative for COVID-19 if they have been exposed to COVID or develop COVID-like symptoms prior to the seminar.
4. That any out-of-town participants mask for the duration of their travel.
5. If participants develop COVID-19 symptoms, regardless of vaccination status or test result, they alert the organizers of the seminar immediately. Participants that develop COVID-19 symptoms **may** be asked to not to attend the rest of the seminar. In the event that COVID-19 interrupts a participant's attendance they will be refunded for the number of days they did not attend.
